2003 Code Change Training—Phase II
(Building, Residential and Energy Conservation)

TRAINING OVERVIEW

ONE-DAY SEMINAR

All Day Session: 8:00—3:30 International Building, Residential, and Fire Codes (Includes only pertinent portions of the fire code as related to the USBC) and the International Energy Conservation Code

(Time frame includes an hour break for lunch)

Notes:
1. This is mandatory training for the following DHCD certificate holders:
   - Elevator Inspectors
   - Commercial & Residential Building Inspectors
   - Commercial & Residential Combination Inspectors
   - Building, Fire Plan Examiners and Fire Protection Inspectors
2. There will be no pre-registration. Register on site for the entire session
3. There is no cost for the seminars; lunch is on your own (Instructor will determine lunch time frame)
4. It is recommended you bring the appropriate 2003 I-Code's
5. Directions to the training locations are on the back of this flyer (or on a second page if obtained electronically).
