Best Practices for Grant Management Workshop
Community Development Economic Development

Mark your calendar and register now for the 2016 Best Practices for Grant Management Workshop that will be held on November 15-16 in Roanoke, Virginia. The two day workshop will include all the information you will need to manage and execute your project grant. New and exciting this year, the workshop will be held in conjunction with the Governor's Housing Conference; the largest housing and community development event in Virginia. Be on the lookout for additional details regarding lodging and the workshop schedule.
