Dear Dr. Holmes:

I am providing this VATI Application Notice to notify the Virginia Department of Housing and Community Development of Charles City County's intent to apply for the FY2024 Virginia Telecommunication Initiative (VATI).

Charles City County plans to submit an application to support fiber-based infrastructure primarily in District Three of the County and to connect structures located significantly off the public right-way countywide. The request duplicates our FY22 and FY23 submittals. We anticipate that approximately 800 structures, primarily residential, remain unserved with fiber-based infrastructure in Charles City County. Dr. Rhonda Russell, Assistant County Administration will be our main point of contact for the purposes of the application process. She can be reached at:

**10900 Courthouse Road
Charles City, Virginia 23030
(804) 652-4707 or email at rrussell@charlescityva.us**

Charles City County understands that this VATI Application Notice is required to submit an application for the 2024 Virginia Telecommunication Initiative and that this notice is not binding on the entity represented by the undersigned, Virginia Department of Housing and Community Development.

Sincerely,

Michelle Johnson
County Administrator
