

Department of Housing and Community Development

January 13, 2011

**NOTIFICATION OF VACANCY
RE-ADVERTISEMENT**

**APPLICATIONS DEVELOPER
(Information Technology Specialist II)**

POSITION #00333

LOCATION:

**DHCD
600 E. MAIN ST. STE 300
RICHMOND, VA 23219**

HIRING RANGE:

\$40,959 - \$60,000 Annually

DUTIES AND RESPONSIBILITIES:

The Virginia Department of Housing and Community Development is seeking a self starter to fill our applications developer position within the Division of Administration/IT Unit. The selected individual will provide development, maintenance and user support services for all central DHCD databases developed in Microsoft Access or SQL Server to include web and desktop applications developed in VB.NET and ASP.NET. Position will also provide end user assistance and support for non-central applications and equipment. Training maybe provided to the selected individual.

QUALIFICATIONS GUIDE:

Demonstrated hands on experience coding ASP.NET/VB.NET enterprise applications and writing Microsoft SQL Server stored procedures and queries. Strong working knowledge of sound database design and normalization along with familiarity of the software development life cycle and experience in the development of GUI front ends. Demonstrated ability to work independently in the development and maintenance of database driven applications. Technical education in Microsoft development or equivalent experience required. Certification of expertise in Microsoft technologies preferred.

TO BE CONSIDERED FOR THIS POSITION, YOU MUST COMPLETE A STATE APPLICATION THROUGH THE ON-LINE EMPLOYMENT SYSTEM <https://jobs.agencies.virginia.gov> BY THURSDAY, JANUARY 27, 2011, 5:00 p.m. EST.
