Dear Governor McDonnell:

On behalf of the Greene County Board of Supervisors, I am writing in response to the requests for information regarding State mandates. The Board of Supervisors respectfully supports the list of concerns presented by VACO and would like to see each of these addressed in the near future.

Thank you for creating a task force to perform a comprehensive review of State mandates. Hopefully, a solution can be found that will benefit all localities and their constituents.

Again, thank you for your time and consideration.

Sincerely,

Barry J. Clark
County Administrator
