Dear Governor McDonnell:

On behalf of the Lunenburg County Board of Supervisors, thank you for your recent letter inviting the County to comment on mandates that that we feel to be onerous and place a burden upon the citizens of the County and their government.

We have reviewed those mandates as identified by the Commission on Local Government, and recognizing the diligent efforts of the Virginia Association of Counties (VACo) in prioritizing those that significantly impact the counties of Virginia, on November 10<sup>th</sup> last, the Board of Supervisors went on record in support of the official position of VACo regarding this issue.

Thank you for your continuing efforts in this regard, and we ask for your kind consideration of the needs of local government as your prepare your budget for presentation to the 2012 session of the General Assembly.

Very truly yours,

William G. O'Brien
