

**Virginia Weatherization Assistance Program
CERTIFIED RENOVATOR COMPLIANCE FORM**

Agency _____
Date and Location of Renovation _____
Brief Description of Renovation _____

Name of Assigned Renovator _____
Name(s) of Trained Workers, if used _____

Occupant received pre-renovation education and signed the pre-renovation form.
Copies of renovator and agency certifications on file and on work site.
Certified renovator provided training to non-certified workers and documentation onsite.
Test kits used by Certified Renovator on components affected by weatherization (identify kits used and describe sampling locations and results) _____

- Warning signs posted
- Work area contained
- All objects in work area covered (interiors)
- HVAC ducts in work area closed and covered (interiors)
- Windows in the work area closed (interiors)
- Windows in and within 20 feet of work area closed (exteriors)
- Doors in work area closed and sealed (interiors)
- Doors in and within 20 feet of work area closed and sealed (exteriors)
- Doors in work area covered to allow passage but prevent spread of dust
- Floors in work area covered with taped-down plastic (interiors)
- Ground covered by plastic extending 10 feet from work area—plastic anchored to building and weighted down by heavy objects (exteriors)
- If necessary, vertical containment installed to prevent migration of dust and debris to adjacent property (exteriors)
- Waste contained on-site and while being transported off-site
- Work site properly cleaned after renovation
- All chips and debris picked up, protective sheeting misted, folded dirty side inward, and taped for removal
- Work area surfaces and objects cleaned using HEPA vacuum and/or wet cloths or mops

Certified renovator was present during the posting of signs, during establishment of containment area, and during cleaning verification.

I certify under penalty of law that the above information is true and complete.

Name and Title _____
Date

Must be completed for every dwelling containing lead-based paint and inserted in Client File.
