The CHDO Operating Assistance Program provides operational support to state-certified CHDOs during the development of DHCD funded (ASNH) Program projects. The funding is intended to assist CHDOs that can demonstrate a need for operating support. Please note, project costs are not eligible.

Eligibility

All eligible applicants must have state CHDO certification. CHDO Operating Assistance grant agreements are contingent upon verification of CHDO qualifications.

Applicants must have a current ASNH preliminary qualification letter and/or program agreement and may not have more than one concurrent CHDO Operating Assistance Program grant. Grants are limited to \$50,000 for a 12-month grant term and maximum of \$100,000 per project.
