**[Applications now being accepted for Affordable and Special Needs Housing Program](#)** .

## **Eligibility**

Applicants include nonprofit or for-profit housing developers, CHDOs and public housing authorities seeking to develop affordable housing projects in Virginia.

Eligible project costs include new construction, rehabilitation and acquisition of affordable homebuyer and rental units and must include at least five units.

Applications will be accepted bi-annually on November 30, 2016 and May 31, 2017.
