The Virginia Building Code Academy Learning Center (VBCALC) is the online portal where you can access web-based training opportunities offered by the Jack A. Proctor Virginia Building Code Academy. Many of the training programs offered through the VBCALC will qualify for DHCD credit, utilizing the same guidelines that apply to certification courses, code change training and continuing education. The VBCALC is available 24 hours a day and seven days a week, and at no cost to the user.
