FY27 Implementation Application Addendum

Please note that each response in this application is limited to 6,000 characters. For Implementation applications related to Per Capita, Competitive, and Site Development replace question #4 related to the economic impact template with this question. The economic impact template will no longer be used and is being replaced with the State Fiscal Return Model (SFRM) which will not be required by the applicant. As applications are being submitted in CAMS please include “See Optional Attachment” for the response to the old question and upload the response to the new question as an optional attachment in CAMS.

ECONOMIC IMPACT

4. Qualitatively describe the economic impact the project will achieve during the grant performance period. Describe how this economic impact will meaningfully advance the growth or strengthening of the targeted industry clusters. Explain the expected economic benefits of the project relative to its cost.
