URGENT NEED FACT SHEET

CDBG funding is available to eligible localities on an open submission basis to enable prompt response to existing serious and immediate threats to local health and safety. Up to $700,000 of CDBG funding is available per project. UNOS proposals will be accepted between January 1, 2020 and September 30, 2020. Projects are intended to primarily benefit low- and moderate-income persons.

THRESHOLDS FOR ELIGIBILITY:

- The proposed project must alleviate existing conditions which pose a serious and immediate threat to the health and welfare of the community;

- The conditions developed or became urgent within 18 months of the date the proposal is submitted;

- The applicant locality is unable to finance the project on its own, no other funding is available to address the problem, and the CDBG funding will be directly targeted towards alleviation of the threatening conditions; and,

- The threat must be supported by either:

  A current declaration of an emergency by the Governor of Virginia relative to a flood, a hurricane, a tornado, an earthquake, or other disaster event, not including droughts, snow, or ice conditions.

  OR

  A current declaration of an immediate and severe health threat by the State Commissioner of Health relative to the complete failure of a public water or sewer system or incident of similar significance.

CDBG assistance will generally only be made available to projects which consist only of activities in support of long-term recovery. CDBG assistance will generally not be made available to projects with public facility failures resulting from neglected maintenance by a locality.
SUBMISSION REQUIREMENTS

Potential applicants are encouraged to contact DHCD prior to submission of an application.

SUBMISSION

Please note that applications are accepted electronically through the Agency’s Centralized Application and Management System (CAMS). To access CAMS, visit the website at www.dhcd.virginia.gov and click on the CAMS icon in the upper-right hand corner. You may then create a locality profile, add staff members, and access the CDBG Urgent Needs program using the APPLY button.
