a) These funds, with the exception of operation and maintenance leverage funds, shall be expended prior to or in proportion to NDRC Grant Funds within the budget, per activity.

b) Operations and maintenance costs were estimated based on a preliminary ~10% design for the estimated lifetime of the PROJECT starting in FY2021 and ending in FY2065. RECIPIENT Reserves the right to require a contract amendment request from SUBRECIPIENT to be submitted to HUD for approval to address and approve changes in leverage if cost deviate from original projections. If approval is not granted
for a variation in proposed Direct and Supporting leverage as stated in this grant agreement the SUBRECIPIENT will be responsible for producing any differences in Direct and Supporting leverage as stated in this grant agreement for both them and their local partners (listed above in chart).

4) The PROJECT MANAGEMENT TEAM shall meet regularly (at least monthly) to properly monitor the PROJECT’s progress. Project Management Team members will be identified in the project management plan and must attend team meetings. Team members must be approved by RECIPIENT. The plan will be updated promptly in recognition of a deviation from projections and RECIPIENT will be notified.

5) RECIPIENT reserves the right to end funding at any point should the project prove nonviable with 30 days written notice. This includes, but may not be limited to, lack of progress in conformance with the approved Project Management Plan.

6) Monthly progress reports must be submitted to RECIPIENT. These reports must document funds expended and obligated to date and the actions taken on key benchmarks that support the successful completion of the project.

7) RECIPIENT reserves the right to request and receive additional documentation pertaining to construction, professional service, non-professional service or other contracts obligating CDBG funds prior to approving drawdown requests.

- **UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS** - On December 19, 2014 (79 FR 75867), OMB published a joint, Government-wide interim rule of all Federal award-making agencies entitled, "Federal Awarding Agency Regulatory Implementation of Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In the joint interim rule, HUD and all other Federal award making agencies implemented OMB's final guidance entitled, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" (Uniform Guidance) published on December 26, 2013 (78 FR 78589). The Uniform Guidance followed publication of a Notice of Proposed Guidance published on February 1, 2013 (78 FR 7282), and an Advance Notice of Proposed Guidance published on February 28, 2012 (77 FR 11778), and incorporated public comments received on
those two documents. The Uniform Guidance is codified at 2 CFR part 200. OMB's Uniform Guidance provides a Government-wide framework for Federal grant management designed to reduce administrative burden for non-Federal entities receiving Federal awards, while reducing the risk of waste, fraud, and abuse. The Uniform Guidance establishes requirements and responsibilities for all Federal agencies that award Federal financial assistance and all non-Federal entities that receive Federal awards. In developing the Uniform Guidance, OMB consolidated existing OMB circulars into a single set of requirements. OMB circulars consolidated and superseded by the Uniform Guidance include:

- A–21, “Cost Principles for Educational Institutions”;
- A–87, “Cost Principles for State, Local and Indian Tribal Governments”;
- A–102, “Grant Awards and Cooperative Agreements with State and Local Governments”;
- A–110, “Uniform Administrative Requirements for Awards and Other Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations”; and
- A–133, “Audits of States, Local Governments and Non-Profit Organizations”.

The Uniform Guidance also replaces provisions of OMB circulars that relate to Single Audit Act audits. OMB's consolidation of prior guidance was aimed at eliminating duplicative or nearly duplicative language in order to clarify existing guidance. The Uniform Guidance does not broaden the scope of applicability of the guidance superseded. The policy reforms brought about by the Uniform Guidance include:

- Eliminating duplicative/conflicting guidance;
- Focusing on performance over compliance for accountability;
- Encouraging efficient use of information technology (IT)/shared services;
- Providing for consistent treatment of costs;
- Limiting allowable costs for the best use of Federal resources;
- Incorporating standard business processes using data definitions;
- Strengthening oversight; and
- Targeting audit requirements on risk of waste, fraud, and abuse. The Uniform Guidance also streamlines audit procedures by:
- Raising the Single Audit threshold from $500,000 to $750,000;
- Raising the questioned cost limit in Single Audits from $10,000 to $25,000; and
- Requiring assessment of Government wide audit quality to be conducted every 6 years (beginning in 2018).

Applicability of Uniform Guidance to HUD Grantees

In the December 19, 2014, joint, interim rule, HUD adopted and codified the Uniform Guidance as requirements for Federal awards at a new part, 2 CFR part 200. HUD also amended 24 CFR parts 84 and 85, which had codified OMB Circulars superseded by 2 CFR part 200, by removing all substantive provisions and including a saving provision that provides that Federal awards made prior to December 26, 2014, will continue to be governed by parts 84 or 85 as codified in the 2013 edition of the Code of Federal Regulations (CFR) or as provided under the terms of the Federal award.

HUD implemented OMB Circular A-102 in 1988, by codifying its provisions in 24 CFR part 85 (March 11, 1988, 53 FR 8025, 8650). In 1994, HUD implemented OMB Circular A-110 by codifying its provisions in 24 CFR part 84 (September 13, 1994, 59 FR 47011). HUD codified the provisions of OMB Circular A-133 in 24 CFR parts 84 and 85 in 1997 (November 18, 1997, 62 FR 61617). In the intervening years since codifying the guidance in these circulars, HUD has cross-referenced applicable provisions of 24 CFR parts 84 and 85 throughout program regulations. Because HUD has implemented 2 CFR part 200 and removed, with certain exceptions, 24 CFR parts 84 and 85, this final rule conforms 24 CFR to the Uniform Guidance by removing references to 24 CFR parts 84 and 85 and replacing them with corresponding references to 2 CFR part 200.

Grant recipients and those who monitor grants are strongly encouraged to review the Uniform Guidance to obtain a better understanding of the Uniform Guidance and its implications for their Federal awards. The Federal Council on Financial Assistance Reform (COFAR) has provided additional tools to assist in the transition to the Uniform Guidance. These tools include:

• COFAR webcast trainings and slides: Available through the COFAR Web site
  https://cfo.gov/cofar; specifically, through that Web site’s page on Resources for
  Understanding the Uniform Guidance, https://cfo.gov/cofar/#RUUG.

Additional tools are available through links from COFAR’s Web site homepage,
https://cfo.gov/cofar/, in such sections (as of the date of this rule) as Resources for
Understanding the Uniform Guidance, Measuring the Impact of the Uniform Guidance,
the COFAR Training Webcast Series, Federal Spending Transparency, and Related Links.

In addition, grant recipients are encouraged to review guidance issued by HUD on
February 26, 2015, entitled “Transition to 2 CFR part 200, Uniform Administrative
Requirements, Cost Principles, and Audit Requirements for Federal Awards, Final
Guidance” (Notice SD-2015–01). This guidance is available at

Other Conforming Changes

As noted above, HUD implemented OMB Circular A–133, “Audits of States, Local
Governments, and Non-Profit Organizations,” in 24 CFR parts 84 and 85 in 1997. In
HUD’s 1997 interim rule, HUD also removed and reserved 24 CFR part 44—Non-Federal
Audit Requirements for State and Local Government, and 24 CFR part 45—Non-Federal
Audit Requirements for Institutions of Higher Education and Other Nonprofit
Institutions, since these parts were no longer applicable because of HUD’s
implementation of the circular. In drafting this final rule, HUD discovered the
inadvertent retention of references to 24 CFR parts 44 and 45. HUD is using this final
rule to correct this oversight and is replacing outdated references to parts 44 and 45
with references to 2 CFR part 200, subpart F—Audit Requirements, or section(s) of that
subpart, as applicable.

HUD is revising § 4.5 to conform to Section 233 of the Department of Housing and Urban
§ 570.402(a)(1) to conform to HUD’s final rule entitled “Removal of Obsolete
Community Planning and Development (CPD) Regulations (79 FR 51893, September 2,
2014). HUD is also correcting other copy and typographical errors.

account of the Grant.

All costs, including paid services contributed by the SUBRECIPIENT or others, charged to the

vouchers evidencing in proper detail the nature and propriety of the charges. All checks,
payrolls, invoices, contracts, vouchers, orders, or other accounting documents pertaining in
whole or in part to the Grant shall be clearly identified, readily accessible, and separate and
distinct from all other such documents. Such documents shall reside at the offices of the
SUBRECIPIENT locality.

4) COSTS INCURRED PRIOR TO GRANT AGREEMENT EXECUTION - No costs incurred prior to

All required reports and requests to be issued by the SUBRECIPIENT or RECIPIENT must be made by way of a WRITTEN NOTICE unless other means are specified in the GRANT AGREEMENT DOCUMENTS. Please note that project-specific technical assistance provided via email does NOT have the weight of official WRITTEN NOTICE. Rather, it is comparable to oral technical assistance discussions. All directives, findings and other formal issuance by RECIPIENT must be transmitted through a WRITTEN NOTICE unless otherwise specified in the GRANT AGREEMENT.

10) ACCESS TO BENEFITS - No access or connection fees shall be charged to low- and moderate-income persons for access to improvements or benefits provided by grant funds. All low- and moderate-income persons identified in the proposal shall be assured access to and use of grant assisted improvements by regular user charges for the specified service.

11) BENEFITS - The PROJECT shall be implemented in such a manner so as to provide benefits to all persons identified in the project proposal. Affirmative steps shall be taken to assure direct benefit to low- and moderate-income persons in the number and extent identified in the proposal.
12) PROGRAM INCOME - The Recipient will manage program income (e.g., including, in agreements, whether subrecipients may retain it), and the purpose(s) for which it may be used.

- **General.** Non-Federal entities are encouraged to earn income to defray program costs where appropriate.

- **Cost of generating program income.** If authorized by Federal regulations or the Federal award, costs incidental to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the Federal award.

- **Governmental revenues.** Taxes, special assessments, levies, fines, and other such revenues raised by a non-Federal entity are not program income unless the revenues are specifically identified in the Federal award or Federal awarding agency regulations as program income.

- **Property.** Proceeds from the sale of real property, equipment, or supplies are not program income; such proceeds will be handled in accordance with the requirements of UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS Subpart D—Post Federal Award Requirements of this part, Property Standards 2 CFR 200.311 Real property, 200.313 Equipment, and 200.314 Supplies, or as specifically identified in Federal statutes, regulations, or the terms and conditions of the Federal award.

- **Use of program income.** If the Federal awarding agency does not specify in its regulations or the terms and conditions of the Federal award, or give prior approval for how program income is to be used, paragraph (e)(i) of this section must apply. For Federal awards made to IHEs and nonprofit research institutions, if the Federal awarding agency does not specify in its regulations or the terms and conditions of the Federal award how program income is to be used, paragraph (e)(ii) of this section must apply. In specifying alternatives to paragraphs (e)(i) and (ii) of this section, the Federal awarding agency may distinguish between income earned by the recipient and income earned by subrecipients and between the sources, kinds, or amounts of income. When the Federal awarding agency authorizes the approaches in paragraphs (e)(ii) and (iii) of this section, program income in excess of any amounts specified must also be deducted from expenditures. (NOTE: See h) **Program Income Alternative Requirement** for specific Federal awarding agency regulations, terms, and conditions for this Federal award.)

  i) **Deduction.** Ordinarily program income must be deducted from total allowable costs to determine the net allowable costs. Program income must be used for current costs unless the Federal awarding agency authorizes otherwise. Program income that the non-Federal entity did not anticipate at the time of the Federal award must be used to reduce the Federal award and non-Federal entity contributions rather than to increase the funds committed to the project.

  ii) **Addition.** With prior approval of the Federal awarding agency (except for IHEs and nonprofit research institutions, as described in paragraph (e) of this section) program income may be added to the Federal award by the Federal agency and the non-Federal entity. The program income must be used for the purposes and under the conditions of the Federal award.
iii) **Cost sharing or matching.** With prior approval of the Federal awarding agency, program income may be used to meet the cost sharing or matching requirement of the Federal award. The amount of the Federal award remains the same.

- **Income after the period of performance.** There are no Federal requirements governing the disposition of income earned after the end of the period of performance for the Federal award, unless the Federal awarding agency regulations or the terms and conditions of the Federal award provide otherwise. The Federal awarding agency may negotiate agreements with recipients regarding appropriate uses of income earned after the period of performance as part of the closeout process. See also 2 CFR 200.343 Closeout.

- Unless the Federal statute, regulations, or terms and conditions for the Federal award provide otherwise, the non-Federal entity has no obligation to the Federal awarding agency with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions made under a Federal award to which 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Awards, Contracts and Cooperative Agreements" is applicable.

- **Program Income Alternative Requirement.** The Department is waiving applicable program income rules at 42 U.S.C 5304(j), 24 CFR 570.500(a) and (b), 570.504, and 570.489(e) to the extent necessary to provide additional flexibility as described under this notice. The alternative requirements provide guidance regarding the use of program income received before and after grant closeout and address revolving loan funds.

i) **Definition of Program Income.**

(1) For the purposes of this subpart, “program income” is defined as gross income generated from the use of CDBG-NDР funds and received by a State, local government, or tribe, or a subrecipient of a State, local government, or tribe, unless excluded from the definition as described in paragraph i)(2) and paragraph iv) below. When income is generated by an activity that is only partially assisted with CDBG-NDР funds, the program income to the CDBG-NDР grant shall be prorated to reflect the percentage of CDBG-NDР funds used (e.g., a single loan supported by CDBG-NDР funds and other funds; a single parcel of land purchased with CDBG-NDР funds and other funds). Program income includes, but is not limited to, the following:

(a) Proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG-NDР funds;

(b) Proceeds from the disposition of equipment purchased with CDBG-NDР funds;
(c) Gross income from the use or rental of real or personal property acquired with CDBG–NDR funds by a State, local government, or tribe, or subrecipient of a State, local government, or tribe, less costs incidental to generation of the income (i.e., net income);

(d) Net income from the use or rental of real property owned by a State, local government, or tribe or subrecipient of a State, local government, or tribe, that was constructed or improved with CDBG–NDR funds;

(e) Payments of principal and interest on loans made using CDBG–NDR funds;

(f) Proceeds from the sale of loans made with CDBG–NDR funds;

(g) Proceeds from the sale of obligations secured by loans made with CDBG–NDR funds;

(h) Interest earned on program income pending disposition of the income, but excluding interest earned on funds held in a revolving fund account;

(i) Funds collected through special assessments made against properties owned and occupied by households not of low- and moderate-income, where the special assessments are used to recover all or part of the CDBG–NDR portion of a public improvement; and

(j) Gross income paid to a State, local government or tribe, or paid to a subrecipient thereof, from the ownership interest in a for-profit entity in which the income is in return for the provision of CDBG–NDR assistance.

(2) “Program income” does not include the following:

(a) The total amount of funds which is less than $25,000 received in a single year and retained by a State, local government, tribe, or retained by a subrecipient thereof;

(b) Amounts generated by activities both eligible and carried out by an entity under the authority of section 105(a)(15) of the HCD Act;

ii) Retention of Program Income. Per 24 CFR 570.504(c), a local government Grantee receiving a direct CDBG–NDR award may permit a subrecipient to retain program income. State Grantees may permit a local government or tribe, which receives or
will receive program income, to retain the program income, but are not required
to do so.

iii) Program Income—Use, Closeout, and Transfer.

(1) Program income received (and retained, if applicable) before or after
closeout of the grant that generated the program income, and used to
continue disaster recovery activities, is treated as additional CDBG-NDR
grant funds subject to the requirements of this notice and must be used in
accordance with the Grantee's Action Plan. To the maximum extent feasible,
program income shall be used or distributed before additional withdrawals
from the U.S. Treasury are made, except as provided in subparagraph iv) of
the PROGRAM INCOME section.

(2) In addition to the regulations dealing with program income found at 24 CFR
570.489(e) and 570.504, modified by this notice, the following rules apply: A
Grantee may transfer program income before closeout of the CDBG-NDR
grant that generated the program income to its annual CDBG program. In
addition, a State Grantee may transfer program income before closeout to
any annual CDBG-funded activities carried out by a local government or
Indian tribe within the State, including a local government that is an
Entitlement CDBG grantee if that Entitlement grantee received CDBG
disaster recovery assistance from the State or from HUD under Public Law
113–2.

Program income received by a Grantee, or received and retained by a
subgrantee, after closeout of the grant that generated the program income,
may also be transferred to a Grantee's annual CDBG award. In all cases, any
program income received, and not used to continue disaster recovery
activities, will not be subject to the waivers and alternative requirements of
this notice. Rather, those funds will be subject to the Grantee's non-disaster
formula CDBG program rules.

iv) Revolving Loan Funds. Entitlement Grantees, State Grantees, and local
governments or tribes (as permitted by a State Grantee) may establish revolving
funds to carry out specific, identified activities. A revolving fund, for this purpose,
is a separate fund (with a set of accounts that are independent of other program
accounts) established to carry out specific activities. These activities generate
payments, which will be used to support similar activities going forward. These
payments to the revolving fund are program income and must be substantially
disbursed from the revolving fund before additional grant funds are drawn from
the U.S. Treasury for payments that could be funded from the revolving fund. Such program income is not required to be disbursed for nonrevolving fund activities.

State Grantees may also establish a revolving fund to distribute funds to local governments or tribes to carry out specific, identified activities. The same requirements, outlined above, apply to this type of revolving loan fund. Lastly, note that no revolving fund established per this notice, shall be directly funded or capitalized with an advance of CDBG-NDR grant funds.

- **Tracking Program Income in the DRGR System.** Recipient must use the DRGR system to draw grant funds for each activity. Recipients must also use the DRGR system to track program income receipts, disbursements, and revolving loan funds. If a Recipient permits local governments or subrecipients to retain program income, the Recipient must establish program income accounts in the DRGR system. The DRGR system requires Recipients to use program income before drawing additional grant funds, and ensures that program income retained by one organization will not affect grant draw requests for other organizations.

13) **CONTRACT SECURITY** - The SUBRECIPIENT shall secure all materials and equipment, purchased or paid for with grant funds through insurance coverage at the full value.

All persons contracted, employed or otherwise utilized in the grant and having responsibility for the management, disposition, expenditure or use of Grant funds shall be bonded by a surety registered to do business in the Commonwealth of Virginia in an amount commensurate with their authority and potential liability.

14) **METHOD AND TIMING OF PAYMENT** - The SUBRECIPIENT shall utilize Request for Payment procedures as specified in the MANUAL. The SUBRECIPIENT shall request funds only for those amounts which have been obligated, encumbered or expended through other accounts and which can be expended upon receipt or soon thereafter. To this end, the SUBRECIPIENT shall develop a financial management system which provides for timely expenditure of requested grant funds.

15) **DRAWDOWN AND PAYMENT OF GRANT FUNDS** - Drawdowns and expenditure of CDBG funds must be made subsequent to or in proportion to other funds within the budget per activity, and in accord with an agreed-upon pay-for-performance schedule.

16) **BUDGET REVISIONS/AMENDMENTS** - The SUBRECIPIENT shall not obligate, encumber, spend or otherwise utilize NDRC funds for any activity or purpose not included or not in conformance with the budget as apportioned and as submitted to RECIPIENT unless the
SUBRECIPIENT has received explicit approval by WRITTEN NOTICE from RECIPIENT to undertake such actions.

17) CHANGE ORDERS - RECIPIENT must approve all change orders on construction contracts. Any change order, regardless of cost, which results in a change of project scope, will be a disallowed cost.

18) INELIGIBLE COST – Any cost found to be ineligible by RECIPIENT or HUD will not be reimbursed or must be repaid by SUBRECIPIENT.

19) TERMINATION, SUSPENSION, CONDITIONS –

   • FOR CAUSE - If for any cause, the SUBRECIPIENT or RECIPIENT fails to comply with the terms, conditions or requirements of the GRANT AGREEMENT the other party may terminate or suspend this GRANT AGREEMENT by giving WRITTEN NOTICE of the same and specifying the effective date of termination or suspension at least thirty (30) days prior to such action.

   If, after the effective date of any suspension of this AGREEMENT, it is mutually agreeable to RECIPIENT and the SUBRECIPIENT upon remedy of any contract violation by the SUBRECIPIENT or RECIPIENT, the suspension may be lifted and the AGREEMENT shall be in full force and effect at a specified date after the parties have exchanged WRITTEN NOTICES stating a mutual understanding that the cause for suspension has been identified, agreed to and remedied.

   In the case of contract violations by the SUBRECIPIENT, RECIPIENT may impose conditions other than termination or suspension which are appropriate to ensure proper grant and project administration and adherence to the terms of the GRANT AGREEMENT. Such conditions must be WRITTEN NOTICE

   • FOR CONVENIENCE - RECIPIENT may terminate this AGREEMENT for convenience in the event that RECIPIENT is no longer authorized as an agency to administer the CDBG program or if the federal funds allocated are no longer available.

   The SUBRECIPIENT may terminate this AGREEMENT for convenience at any time provided that all of the following conditions are met:

   i) SUBRECIPIENT gives RECIPIENT ten (10) days WRITTEN NOTICE; and

   ii) The PRODUCTS which have been initiated either have been completed and may be utilized in their stage of completion in a manner consistent with the objectives in the RECIPIENT'S NDRC Application, or will be completed by the SUBRECIPIENT through its own or other resources; and
iii) The SUBRECIPIENT has honored or will honor all contractual obligations to third parties affected by the PROJECT; and

iv) A SUBRECIPIENT'S valid termination for convenience in accordance with this GRANT AGREEMENT shall not affect nor prejudice the SUBRECIPIENT'S future relationship with neither RECIPIENT nor its future consideration as a CIG recipient.

20) SUBSEQUENT CONTRACTS - The SUBRECIPIENT shall remain fully obligated under the provisions of the GRANT AGREEMENT notwithstanding its designation of any third parties for the undertaking of all or part of the PRODUCTS for which the Grant assistance is being provided to the SUBRECIPIENT.

Any SUBRECIPIENT or CONTRACTOR which is not the APPLICANT shall comply with all the legal requirements made of the APPLICANT which are necessary to ensure that the PROJECT for which this assistance is being provided under this AGREEMENT is carried out in accordance with the APPLICANT'S Assurances and Certifications.

SUBRECIPIENTs shall obtain a financial disclosure report from all contractors, subcontractors, developers, and consultants which certifies the financial interest of all officers, directors, principal stockholders, or other persons who will have a $50,000 or 10 percent or greater interest in the contract whichever is lower.

21) POLITICAL ACTIVITY PROHIBITED - None of the funds, materials, property or services contributed by the RECIPIENT or the SUBRECIPIENT, under this GRANT AGREEMENT, shall be used in the performance of this AGREEMENT for any partisan political activity, or to further the election or defeat of any candidate for public office.

22) CONFLICT OF INTEREST - No officer, member, or employee of the SUBRECIPIENT and no member of its governing body, and no other public official of the governing body of the locality or localities in which the PROJECT is situated or being carried out, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of this PROJECT shall participate in any decision relating to this GRANT AGREEMENT which affects his personal interest or have any personal or pecuniary interest, direct or indirect, in this GRANT AGREEMENT or the proceeds thereof.

No member of or delegate to the Congress of the United States of America and no Resident Commissioner shall be admitted to any share or part hereof or to any benefit to arise therefrom.
23) **CERTIFICATIONS** - The SUBRECIPIENT certifies that it will comply with the following:

- Freedom of Information Act;
- Virginia Conflict of Interest Act; and
- Virginia Fair Employment Contracting Act.

24) **BENEFICIARIES** - There are no third party beneficiaries of this GRANT AGREEMENT. The provisions contained in this GRANT AGREEMENT represent the entire GRANT AGREEMENT between RECIPIENT and the SUBRECIPIENT. The provisions are designed to assist in meeting the community needs of the SUBRECIPIENT identified in the RECIPIENT’s NDRC Application, but are not designed to accrue to the specific benefit of any individual person or entity residing or located in the SUBRECIPIENT’S community or elsewhere. Consequently, the terms of these GRANT AGREEMENT may be enforced by RECIPIENT or the SUBRECIPIENT exclusively and not by any individual person or entity residing or located in the SUBRECIPIENT’S community or elsewhere as a third-party beneficiary of this contract.

25) **DUPICATION OF BENEFITS REQUIREMENTS** - Duplication of benefits requirements in section 312 of the Stafford Act and in the Appropriations Act apply to the use of CDBG–NDR funds. To help prevent the duplication of benefits, HUD published a notice in the Federal Register on November 16, 2011, at 76 FR 71060. The Department published additional guidance on July 25, 2013, titled "Guidance on Duplication of Benefit Requirements and Provision of CDBG–DR Assistance." The steps and actions described in the November 2011 and the July 2013 guidance documents are mandatory requirements applicable to the use of CDBG–NDR funds.

26) **AUDITS** - All SUBRECIPIENTS that receive funding during a specific program year are required to submit one of the following financial documents: Financial Statement**, Reviewed Financial Statement prepared by an independent Certified Public Accountant (CPA), Audited Financial Statement prepared by an independent CPA or an OMB A-133 Audit (Single Audit) prepared by an independent CPA. Please see the table below to determine which document your organization is required to submit.
The threshold requirements outlined below are the \textit{minimal} standards required by RECIPIENT. We strongly encourage all organizations receiving funds from RECIPIENT to undertake the highest level of financial management review to ensure practices and procedures are fully examined and evaluated.

20) It will comply with The Federal Consistency Requirements for the Virginia Coastal Zone Management Program (VCP) (previously referred to as Virginia Coastal Resources Management Program) incorporates and reflects recent changes to the federal consistency regulations. Effective January 8, 2001, the National Oceanic and Atmospheric Administration (NOAA) revised the regulations implementing the federal consistency provisions of the Coastal Zone Management Act (CZMA) of 1972 (see link Coastal Zone Management Act or go to http://coastalmanagement.noaa.gov/czm/czm_act.html.) The revisions were necessary based on new provisions in the 1990 Coastal Zone Act Reauthorization Amendments (CZARA) and the 1996 Coastal Zone Protection Act. Among the amendments were revisions to the federal consistency requirement contained in section 307 of the CZMA. The 1990 CZMA amendments clarified that all federal agency activities meeting the “effects” standard are subject to CZMA consistency and that there are no exceptions, exclusions or categorical exemptions from the requirement. The regulations were further revised in 2006 in response to The National Energy Policy Development Group’s Report (May 2001) (Energy Report) and the Energy Policy Act of 2005. Section 319 of the CZMA was amended by Section 381 of the Energy Policy Act of 2005 (Pub. L. No. 109-58) to mandate deadlines for decisions on appeals of consistency determination under the CZMA. Section 382 specified that the initial record to be used for CZMA appeals of energy projects is the record consolidated by the lead federal permitting agency.
