RRP Outreach and Engagement Grant

Spring 2021

Application Due Date: May 5, 2021
Background

• The Virginia Rent Relief Program (RRP) was established during the COVID-19 pandemic by utilizing funding resources to keep tenants housed, make landlords whole on rental payments, and to stabilize the housing market.

• Contingent upon applications received, DHCD will award up to $5 million in RRP Outreach and Engagement grant funds to one to three grantees for a June 1, 2021 – December 31, 2021 contract period.
Goals

• To strategically promote the RRP within historically economically disadvantaged communities

• To assist households and landlords who have limited access to the Internet or are not able to complete the online RRP application due to accessibility and language barriers

• Initial grant opportunity is focused on working with organizations that provide legal assistance to low-income households and organizations that provide direct assistance to Communities of Color

• Possibility of additional outreach and engagement grants
Eligible Applicants

- DHCD will contract with the Intermediary Organizations (IO) only:
  - Non-Profit (501c3)
  - Local Government
  - Planning District Commissions
  - Housing Authority
  - Colleges/ Universities

- Applicants must demonstrate a **statewide** approach

- In order to effectively provide services on a statewide basis, IOs can contract with local Sub-Grantees

- Lobbying and 501c4 organizations are **not** eligible
Applicant Requirements

• Demonstrate a track record of reaching target populations

• Registered in DHCD’s Centralized Application and Management System (CAMS) profile

• Established relationships between all partners
  o Sub-Grantee profile attachment
  o MOU attachment

• No outstanding issues within CAMS
Federal Funding Requirements

• Funds for the RRP Outreach and Engagement Grant are through the U.S. Department of the Treasury’s Emergency Rental Assistance program CFDA #21.023
  • Lobbying activities are prohibited
  • All required federal compliance guidelines must be met

• Grantees must adhere to Generally Accepted Accounting Principles (GAAP)
Geographic Targeting

• This grant opportunity is to fund IOs, and their Sub-Grantees, who collectively serve all areas of the state.

• IOs should have a statewide reach and should identify their Sub-Grantees in their applications. Sub-Grantees do not need to have a statewide capacity as long as the IO does.

• **Tenants and Landlords located in Chesterfield County and Fairfax County are ineligible** for the statewide Virginia Rent Relief Program as those localities are delivering local programs with these same federal funds. IOs and Sub-Grantees will not be reimbursed through this grant for serving these areas.
Eligible Activities

• Outreach
  • Advertisement fees: i.e. printing costs, radio ads, etc.
    o Strategic advertising within communities of color and non-English speaking communities
  • Other: all non-personnel costs with the exception of advertising fees (Examples: training, transportation costs)

• Personnel
  • Examples: Staffing required to conduct outreach, process applications, and conduct follow-up

• Supplies
  • Examples: Equipment and supplies to process applications (i.e. internet access, technology, etc.)

• Administrative Costs
  • IO (up to 10%): Grants management, accounting for the use of grant funds, preparing reports for submission to DHCD, staff training
  • Sub-Grantee (up to 5%): Accounting for the use of grant funds, reports for submission to IO, data collection and reporting
IO Scope of Service

- IOs will serve as the fiscal agent for the RRP Outreach and Engagement Grant. IOs are responsible for all reporting requirements by DHCD which must comply with state and federal rules.

- IOs will receive 20 percent of upfront funding for program-related costs. DHCD will provide the remaining 80 percent of funding on a performance cost reimbursement basis.

- In the application narrative, IOs will need to submit target metrics for:
  - 1) percentage of applications from targeted outreach to historically economically disadvantaged communities
  - 2) number of RRP applications processed for payment as part of the application narrative

- DHCD will evaluate these metrics to see if the IO is on target before IOs can submit remittances for more funding.
IO Scope of Service (Cont’d)

• Eligible IOs should include a list of Sub-Grantees and profiles for each Sub-Grantee as part of their grant application. Memorandum of understanding (MOU) or agreement must also be submitted for DHCD approval.

• IOs are encouraged to use data in conjunction with receiving guidance from people with lived experience to identify areas most impacted by eviction and/or COVID. This approach will assist the IOs in identifying the locations where Sub-Grantees will be most impactful with this grant program.

• In cases where the IO chooses not to partner with Sub-Grantees, the IO will be responsible for all Sub-Grantee requirements.
Sub-Grantee Scope of Service

• Must provide this assistance to RRP applicants throughout the full cycle of the application process, until the RRP applicant receives notification of approval.

• If a tenant or landlord is denied RRP assistance, Sub-Grantees are expected to connect the tenant to 2-1-1 VIRGINIA and other existing resources in the community.

• Sub-Grantees are encouraged to conduct questionnaires with applicants to gauge how they felt about their experience (DHCD to assist in the development of the questionnaire).

• IOs will work with the Sub-Grantees to identify the best method in their regions and communities to promote RRP and the application assistance provided and which organization will be responsible for promoting the program.
Sub-Grantee Scope of Service (Cont’d)

• DHCD will provide all RRP marketing documents to be used by the IOs and/or the Sub-Grantees.

• Sub-Grantees are required to incorporate people with lived eviction experience and/or being members of historically economically disadvantaged communities as they shape outreach and engagement efforts. This will help ensure that applicants receive culturally competent assistance.

• If needed, Sub-Grantees will have access to DHCD’s language line to be equipped to support non-English speaking tenant and landlord RRP applicants.

• RRP assistance may be provided to applicants through Sub-Grantee paid staff and/or appropriately trained and supervised volunteers.
Local Match

• The program does not require a match.

• Applications that include match contributions (both in-kind and cash match) will be given a scoring preference per the guidelines.
  o These matching funds may be used to provide incentives for tenants, landlords and participation of people with lived experience (if allowable through organization).

• Local COVID or other emergency resources do not count toward a local match commitment.
Data Collection

• DHCD will provide a voluntary exit questionnaire to better understand how to improve the RRP program with historically economically disadvantaged communities and others with access barriers.

• DHCD will assist in translating this questionnaire into any needed language.
Reporting and Evaluation

• IOs will be responsible for reporting **monthly** program metrics in CAMS. These reports will be used to track IO progress for reimbursement and program evaluation purposes.

• Grantees should explain in their application narrative how they plan to collect the data for these reports. A list of metrics can be found in the application guidelines.

• IOs are held fully responsible for all reporting, submission of remittances, and maintaining all source documentation and program records. Grantees must monitor Sub-Grantee program compliance, and all state and federal requirements.
Overview of Application Process

• Deadline: 11:59PM on May 5, 2021

• All applications must be submitted through DHCD’s CAMS online application system

• Applications will be evaluated as submitted
