Dear Dr. Holmes

On behalf of King William County, I am pleased to submit this Application Notice to inform the Department of Housing and Community Development that we intend to apply for the FY2022 Virginia Telecommunications Initiative (VATI) grant program.

We have been working with two internet service providers who have expressed interest in expanding broadband in King William County to provide ubiquitous broadband internet in those areas currently unserved or under-served, primarily in the northwest and southeast sectors of the County.

Our main point of contact for the purposes of this application will be: Edwin Moren, 180 Horse Landing Road, #4, King William, VA 23086. His email is emoren@kingwilliamcounty.us and contact mobile phone (301) 980-1414.

We understand this VATI Application Notice is required in order to submit an application for the 2022 Virginia Telecommunication Initiative and that this notice is not binding on the entity represented by the undersigned.

Sincerely,

Steve G. Hudgins
Interim County Administrator
