Dear Dr. Holmes:

I am providing this VATI Application Notice to notify the Virginia Department of Housing and Community Development that Campbell County may submit an application for the FY2023 Virginia Telecommunication Initiative (VATI). Our application is intended to address any remaining gaps in coverage where existing service does not adequately meet the definition of broadband.

I understand that this VATI Application Notice is required in order to submit an application for the 2023 Virginia Telecommunication Initiative and that this notice is not binding. Please let me know if you have any questions or if any additional information is required. Thank you for your continued support of this critical service.

Sincerely

Frank Rogers
