Dear Dr. Holmes:

I am providing this VATI Application Notice to notify the Virginia Department of Housing and Community Development of **Roanoke Valley Broadband Authority in cooperation with the Counties of Botetourt and Roanoke** may submit an application for the FY2023 Virginia Telecommunication Initiative (VATI).

Roanoke Valley Broadband Authority intends to submit an application for a fiber optic transport and last mile project starting from the intersection of state route 654 also known as Read Mountain Road and state route 11 in Roanoke County to the Greenfield Training and Education Center in Daleville with a second diverse route originating from the intersection of Read Mountain Road and state route 220 to the Greenfield Training and Education Center in Daleville, Virginia for the purposes of supporting the local community with mission critical telecommunications backbone infrastructure and last mile connectivity. The project will provide an essential optical transport backbone and last mile connectivity for citizens in support of Universal Service. This is a true multi-jurisdictional project that will service the community for many years to come. In addition, the Roanoke Valley Broadband Authority is already providing a Carrier Neutral Exchange facility in the Greenfield Training and Education center in support of the community and the carrier community.

Ms. Tywanii Ross will be our main point of contact for the purposes of the application process, and can be reached at:
