

PERSONS SEEKING TO APPLY FOR WEATHERIZATION ASSISTANCE PROGRAM, PLEASE NOTE:

STATUS of VA WEATHERIZATION ASSISTANCE PROGRAM

For the safety of clients and workers, most, if not all, weatherization subgrantees have temporarily shut down all in-home weatherization work. Offices generally are closed to public access and administrative personnel are working remotely.

The Department of Housing and Community Development left the decision to continue to provide weatherization services to the individual local subgrantees so re-opening dates may vary by weatherization agency.

If you are seeking to apply for weatherization, please call the phone number for the weatherization agency that serves the region in which you live for information. You may be instructed to leave a message.

The contact numbers by city and county can be found at this link:
